April 10, 2017

Dear HGP Parent/Guardian:

The Athletic Recognition Awards Ceremony will be held on Thursday, June 1 at 6:30pm in Chapman Arena. The program will include recognition of varsity award recipients, with emphasis on the accomplishments of our seniors. Junior varsity and freshman team athletes are welcome to attend, but the focus of the evening will be on varsity sports.

In addition to recognizing our varsity athletes, there will be a senior student athlete speaker who will be nominated by the varsity coaches to address the faculty, parents and students. We are also honored to have Mike Barrett, '74 as our HGP Hall of Fame Guest Speaker. Mike was the co-captain of the 1974 State Championship Basketball Team and had a tremendous impact on the success of his teams during one of the most successful eras in HGP Basketball. He continued his playing career at Lafayette College. Mike is a partner for Bergman & Barrett, Attorneys at Law.

We look forward to a successful evening as we honor the efforts of our players and coaches throughout the year. **The dress code for the evening will be our school dress code, without the sport coat. The event will be catered by Risoldi's Catering.**

All reservations and payments for the athletic awards night are done online by clicking on this [LINK](#). The cost to attend the Sports Awards Ceremony is \$25 per person. **ALL RESERVATIONS ARE DUE BY FRIDAY, MAY 19. You can only attend the recognition night by completing the reservation form and payment. We do not allow walk up reservations.**

Thank you for your time and continued support. We hope you will be able to attend and celebrate another year of athletic success with us.

Sincerely,

James H. Stewart
Athletic Director
