

2018 HOLIDAY CRAFT SHOW COMMITTEES

TRI-CHAIRS (Kate Braunstein, overall | Lisa Gallo, crafters | Eva Gasiewski, logistics)

The overall tri-chair is the project manager of the craft show and the head of the committee. The tri-chair for crafters is the main contact with our crafters and handles contracts and planning related to space assignments. The tri-chair for logistics handles the permits, set-up and security at the event. **Need a shadow for the overall tri-chair.**

BAKE TABLE (Kathy Galasso | Jean Nycz)

This committee sells all the beautiful and delicious home baked goodies generously donated by HGP moms and extended families. Each HGP mom has traditionally donated three home baked items for this table. This table is very popular with our shoppers and by Sunday afternoon, everything is sold.

CENTER-STAGE CRAFTER RAFFLE (Tara Carbino | Colleen Ginnetti | Kim Stone)

This committee is responsible for the collection and display of items donated by our crafters. Our shoppers purchase tickets to place in tins in front of the items they would like to win. Volunteers set-up on Friday and sell tickets on Saturday and Sunday. The moms on this committee have the most fun on Sunday when they pack, wrap and distribute the winnings. **Need a freshman rep on committee.**

HGP CAFÉ (Keya Watkins | Cheryl Gublo | Stacy Schroeder)

Our café is a popular stop for hungry craft show shoppers. Volunteers ensure the café runs smoothly and provide great food and friendly service. At the HGP café, having too many cooks in the kitchen is a good thing! This committee also ensures that the crafters are taken care of for breakfast and lunch. Most are not able to leave their tables so we deliver donuts and coffee in the morning and take orders and deliver lunch. **Need a freshman rep on committee.**

50/50 (Michelle Beck | Trish Monaghan)

Volunteers sell 50/50 tickets in shifts throughout the day.

BASKET RAFFLE (Allyson Yost)

A highlight of the craft show is our wonderful themed basket raffle. For each chance, the purchaser has the opportunity to win one of the gorgeous baskets, overflowing with items in various themes including a Christmas basket, home & hearth, sports and more. Volunteers sell chances during the two days of the show.

Need a shadow for the chair and a freshman rep on committee.

DECORATING (Alice Braun)

If you enjoy holiday decorating, this committee is for you! The moms on this committee have a great time transforming the field house into a Christmas wonderland with trees, wreaths and other festive decorations.

PUBLICITY (Courtney Elliott)

Spread the word! Put up flyers in stores or at work, put announcements in church bulletins, or place ads in community sections of local newspapers. All ideas are welcome.

As noted above we are seeking "shadows" for our overall tri-chair and basket committee chair. The goal is for the "shadows" to take the lead the following year. If you are interested in volunteering for any open committee position, please contact Kate Braunstein at craftshow@holyghostprep.org and we can discuss the duties in more detail.

Thank you!
