

HOLY GHOST PREP MOTHERS' GUILD NEW AMBASSADOR PROGRAM

ABOUT THE PROGRAM

The Mothers' Guild at Holy Ghost Prep is pleased to offer a new and important program this year to help welcome our new mother's into the Mothers' Guild, and more importantly into the HGP community. It is our hope that having an Ambassador program will help make each family's transition into our community a smooth and pleasant one.

Ambassadors are assigned by schools and will help mentor new mothers through their first year at HGP by answering questions, no matter how specific or general, regarding Mothers' Guild events, functions, and volunteer opportunities. Throughout the year they will also share news of important events and/or simply check in with their families to be sure they are acclimating well.

If you wish to volunteer to be an Ambassador, or would like to have an Ambassador mentor you in your first year, please fill in the information below and email the completed form to Christine.morris65@gmail.com.

SIGN UP NOW!

____ I would like to volunteer to be an Ambassador.
